

**Medical research hasn't
always seen you.
We're changing that.**

The more researchers know about what makes each of us unique, the more tailored our health care can become.

Join a research effort with one million or more people nationwide to create a healthier future for all of us.

To start your journey, go to Participant.JoinAllOfUs.org and:

- 1** Create an account
- 2** Give your consent
- 3** Agree to share your electronic health records
- 4** Complete the Consent to Get DNA Results
- 5** Answer health surveys
- 6** Have your measurements taken (height, weight, blood pressure, etc.) and give blood and urine samples, if asked

After completing these steps, you'll receive \$25.
